Section I – Introduction

West Central Wisconsin Workforce Development Board (WCWWDB), represented by the Officials (CEOs), has responsibility for the planning and oversight of workforce development services under Workforce Innovation & Opportunity Act in the nine (9) county West Central Wisconsin Workforce Development Board (Area). The Area is comprised Barron, Chippewa, Clark, Dunn, Eau Claire, Pepin, Polk, St. Croix, and Pierce Counties.

The intent of WIOA Title I is to provide training opportunities for individuals that match the existing and future workforce needs of employers. The focus of service delivery is to provide eligible adults, dislocated workers and youth with access to career information, career assessment, career planning, and, as needed, training and other career preparation that will increase opportunities for employment. Employer services include assistance with identifying individuals to fill job openings, re-employment of laid-off workers, and provision of other services and information to help employers recruit, retain, and develop their workforce. The funding for the WCWWDB and the services provided in its Wisconsin Job Centers are from the U.S. Department of Labor, Employment and Training Administration.

Although the Board will not currently be providing the One-Stop Operator or Direct Services, the WCWWDB may provide workshops, seminars, staff training and informational sessions at career center sites that are aimed at engaging the private sector and supporting the efforts of its contractors. The WCWWDB will provide leadership, policy/guidance, professional development, technical assistance, monitoring, and any other activities to support the WCWWDB contractors in achieving the policies and goals of the WCWWDB.

The WCWWDB's current One-Stop Operator is an entity that will coordinate the service delivery of participating One-Stop Partners.

West Central Wisconsin Workforce Development Board will maintain all proposals received in response to this RFP on file for at least three (3) years. West Central Wisconsin Workforce Development Board reserves the right to reopen the RFP at any time.

Section II - Role of the Fiscal Agent

Role of the Fiscal Agent

The selected organization will serve as the Fiscal Agent for WIOA Title I and other workforce development funds that are allocated to the local area. The Fiscal Agent shall be generally responsible for the acceptance and maintenance, disbursement, accounting, and reporting of WIOA Title I and other funding during the period of the contract. The Fiscal Agent duties and responsibilities shall be performed for the direct benefit of the WCWWDB in the disbursement of funds and performed in accordance with, and governed by, applicable provisions of WIOA Title I and regulations, applicable Federal Office of Management and Budget (OMB) circulars and state policies and law. No employee or Board member of a proposer shall cast a vote on, nor participate in any decision-making capacity on the provision of services by such employee or Board member of a proposer, or any organization that the employee or Board member of a proposer directly represents. H. Proposal Evaluation

The proposal criteria identified herein is a guideline for Bidders and reviewers; however, the final decision for contract award rests with the WCWWDB. The WCWWDB is not required to contract with the entity receiving the highest ranking as a result of the proposal review process or an entity that submits the lowest cost. Proposals that do not meet minimum standards may be considered non-responsive.

1. Minimum standards:

Standards are outlined in Section F above and are required.

2. Evaluation process:

The WCWWDB strives to conduct procurement in a manner providing full and open competition. An award will only be made to the proposer who can provide demonstrated ability to perform successfully.

A Review Panel selected jointly from the local Workforce Board and the CLEOs will independently evaluate each submitted proposal that is determined to meet the minimum submission requirements. The individuals on the Review Panel will score each proposal. The scores will be aggregated with the average score recorded per proposal. West Central Wisconsin Workforce Development Board will then rank the proposals based on the Review Panel's recommendation and average score. The Review Panel may request additional information for clarification and consideration during their review process.

It is possible that the CLEOs and/or the Workforce Board representatives will request that bidders make an oral presentation to the representatives of the review panel and/or others. If the Review Panel elects to request oral presentations, bidders will be notified of date, time and place. Time limits will be placed on the presentations with questions/answers by the Review Panel following the time-limited presentations.

The Workforce Board Executive Committee or Full Board and the Chief Local Elected Officials shall determine the successful proposal from the Panel's recommendation. The highest point total bid, may or may not, be the selected bidder based on the judgment of

the review panel and the Chief Local Elected Officials. Bidders should note that West Central Wisconsin Workforce Development Board may award a contract with or without price negotiation.

All bidders will be notified of the Review Panel meeting(s) and their results.

3. Evaluation Criteria:

The proposal will be evaluated based on the bidder's responses to the information requested in Section V.

- j. Agree that performance of this Contract shall comply with:

1. Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60).
2. The Copeland "Anti-Kickback" Act (18 U.S.C.A § 874) as supplemented in Department of Labor regulations (20 C.F.R. Part 3).
3. The Davis-Bacon Act (40 U.S.C.A. § 3148 (formerly cited as 40 U.S.C.A. § 276a-7)) as supplemented by Department of Labor regulations (29 C.F.R. Part 5).
4. Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C.A § 327-330) as supplemented by Department of Labor regulations (29 C.F.R. Part 5).
5. Notice of awarding agency requirements and regulations pertaining to reporting.
6. All applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C.A. § 1857(h)), section 508 of the Clean Water Act (33 U.S.C.A. § 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 C.F.R. Part 15).
7. Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163, 89 Stat. 871).
8. Veterans' Priority Provisions: This program, funded by the U.S. Department of Labor is subject to the priority of service requirements of 38 USC 4215 and 20 CFR Part 1010. Section 4215 of Title 38 requires that priority of service be provided to veterans and spouses of certain service members and veterans for the receipt of employment, training,

and placement services in any job training program directly funded, in whole or in part, by DOL. In circumstances where a grant recipient must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the grant recipient give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. Recipients must comply with DOL guidance on veterans' priority.

Agreement by a program operator to implement priority of service is a condition of receipt of DOL funds. States are required to provide assurances that they will comply with the Veterans' Priority of Service Provisions in 38 USC 4215 and Training and Employment Guidance Letter (TEGL) No. 10-09 (issued November 10, 2009). TEGL No. 10-09 is available at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2816 .

See WIOA Section 502-Buy American Requirements.
10. Salary and Bonus Limitations: Under Public Law 113-235, Section 105, none of the funds appropriated under the heading "Employment and Training" shall be used by a recipient or subrecipient of such funds to pay the salary of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II. The Executive Level II salary may change yearly and is located on the OPM.gov website (<http://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2015/executive-senior-level>) . This limitation shall not apply to contractors providing goods and services as defined in 2 CFR 200.330. Where States are recipients of such funds, States may establish a lower limit for salaries of those receiving salaries from subrecipients of such funds, taking into account factors including the relative cost-of-living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer Federal programs involved including Employment & Training Administration programs.
The payment of any type of incentive, bonus, award, or other financial payment above and beyond salary is prohibited.
11. Executive Order 13333: This agreement may be terminated without penalty, if the stated parties or any subgrantee, or the contractor or any subcontractor engages in "(i) severe forms of trafficking in persons; (ii) the procurement of a commercial sex act during the period of time that the grant, contract, or cooperative agreement is in effect; (iii) the use of forced labor in the performance of the grant, contract, or cooperative

- [5/29/2003] Volume 68, Number 103, Page 32289-32305. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. For assistance and information regarding the parties' LEP obligations, go to <http://www.lep.gov>.

 21. Prohibition on Contracting with Corporations with Felony Criminal Convictions: The stated parties are prohibited from entering into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

22. Prohibition on Contracting with Inverted Domestic Corporations: No funds made available under a Federal Act may be used for any contract with any foreign incorporated entity which is treated as an inverted domestic corporation under section 835(b) of the Homeland Security Act of 2002 (6 U.S.C. 395(b) or any subsidiary of such an entity. Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Person” means any corporation, partnership, individual, joint venture, association or any other private legal entity.
