Dear Mr. Menz:

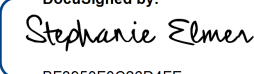

Thank you for your responses to the 2022-23 Coordinated Monitoring Report issued by the Division of Employment and Training (DET) on June 28, 2023.

At this time, our office has completed reviewing your response and has concluded that the actions described in your response appropriately resolve all issues. The report resulted in \$339.97 disallowed costs.

This concludes the PY21 monitoring of the West Central Works Workforce Development Board. We hope our review has provided you with helpful information and observations to assist you in the management of your programs.

If you have any questions or comments, please contact the Local Program Liaison assigned to your area, Zoe Kujawa by email at zoe.kujawa@dwd.wisconsin.gov.

Sincerely,
